

Parent/Adult Roundtable

Dear Community Member

The North Oakland Community Coalition, with support from Oakland County Department of Health, Community Mental Health Authority, Common Ground and Lake Orion Community Schools is hosting a **Parent/Adult Roundtable 2012** to be held on Wednesday, March 1 from 7-9pm at the Orion Township Library. Registration will be open at 6:45pm and event will start promptly at 7pm.

The **Roundtable** will provide an opportunity for Lake Orion parents/adults to meet in a non-threatening environment to discuss various topics, as they relate to stress, hope and happiness with the ultimate goal to provide crucial input into a long term, sustainable action plan that will positively affect the community for years to come.

PROPOSED OUTCOMES

- To determine how stress effects our youth and what are some steps they take to relieve stress
- To understand what youth are feeling and create an opportunity for them to feel valued
- To gather, distill and then distribute to the public the information gathered here
- To begin the process of building a framework for a long term sustainable plan for a community that is safe, healthy and hopeful for all its members

A diverse group of 50-60 adults are needed to participate. We will gather in small groups to discuss stress, hope, goals, and issues in well-guided discussions. You will be given the freedom to discuss your concerns and strategize the building of a safe and healthy community.

Return form by February 24 to:
North Oakland Community Coalition,
1520 S. Lapeer Road, Suite 121. Lake Orion, MI 48360
or scan and <mailto:bspote@northoaklandcoalition.org>

For more information or to answer any questions, please call (248) 520-3786.

Yes, I will participate in the Roundtable 2012 on Thursday March 1, 2012
