

18-24 Year Old Summit

Dear Community Member

The North Oakland Community Coalition, with support from Oakland County Department of Health, Community Mental Health Authority, Common Ground and Lake Orion Community Schools is hosting a **Summit 2012** to be held on Saturday February 18 from 1-3pm at the Orion Township Board Room, 2626 Joslyn Road, Lake Orion. Registration will be open at 12:45pm and event will start promptly at 1pm.

The **Summit** will provide an opportunity for Lake Orion and area high school graduates to meet in a non-threatening environment to discuss various topics, as they relate to stress, hope and happiness with the ultimate goal to provide crucial input into a long term, sustainable action plan that will positively affect the community for years to come.

PROPOSED OUTCOMES

- To determine how stress effects you and what are some steps you take to relieve stress
- To understand what young adults are feeling and create an opportunity for you to feel valued
- To gather, distill and then distribute to the public the information gathered here
- To begin the process of building a framework for a long term sustainable plan for a community that is safe, healthy and hopeful for all its members

A diverse group of 50-60 young adults are needed to participate. We will gather in small groups to discuss stress, hope, goals, and issues in well-guided discussions. You will be given the freedom to discuss your concerns and strategize the building of a safe and healthy community.
